POMELO

Pomelo is a tiny pink elephant that was born under a dandelion, in a garden. With humour and sensitivity, Pomelo discovers the world around him before experiencing the shock of fall's arrival. And then oh, my, it's winter! Beyond his distress, Pomelo uses his ability to adapt with creativity. This wordless show unfolds to the rhythm of the ever-changing seasons that go from one extreme to the other. Through a playful use of shadows, live music and the diffusion of scents, *Pomelo* is an enchanting and enveloping experience.
