- French spoken is an asset;
- Ability and experience in acting, as well as physical ease are necessary;
- Ability in puppetry is necessary (experience is an asset).

THE COMPANY

Ombres Folles believes in a world driven by imagination and creates shows that awaken the creative spirit of young and old alike. Committed to the development of contemporary puppetry and theater for young audiences, the company explores the intersection of genres between puppet, shadow play and object theater, while investigating our fears, our weaknesses and our taboos.

Founded in 2005, Ombres Folles has created 9 shows and given over 550 performances in several venues in Canada, France, Serbia, Ukraine, and USA. Today, the company is well known in the youth theater and puppet communities.
