Two inseparable hamsters, Here and There, live peacefully in the valley, sharing everything. One day, a frog settles in their fields and sows discord between the two friends, who end up declaring war on each other. Meanwhile, the frog takes over their home, but still doesn't seem satisfied...

As they follow their separate paths, Here and There embark on a journey that leads them to encounter a few wise and eccentric characters. The hamsters will thus find their way back to their friendship and home, while giving the frog a chance to slowly heal from its jealousy.
